

Amateur Radio Direction Finding on *Internet*

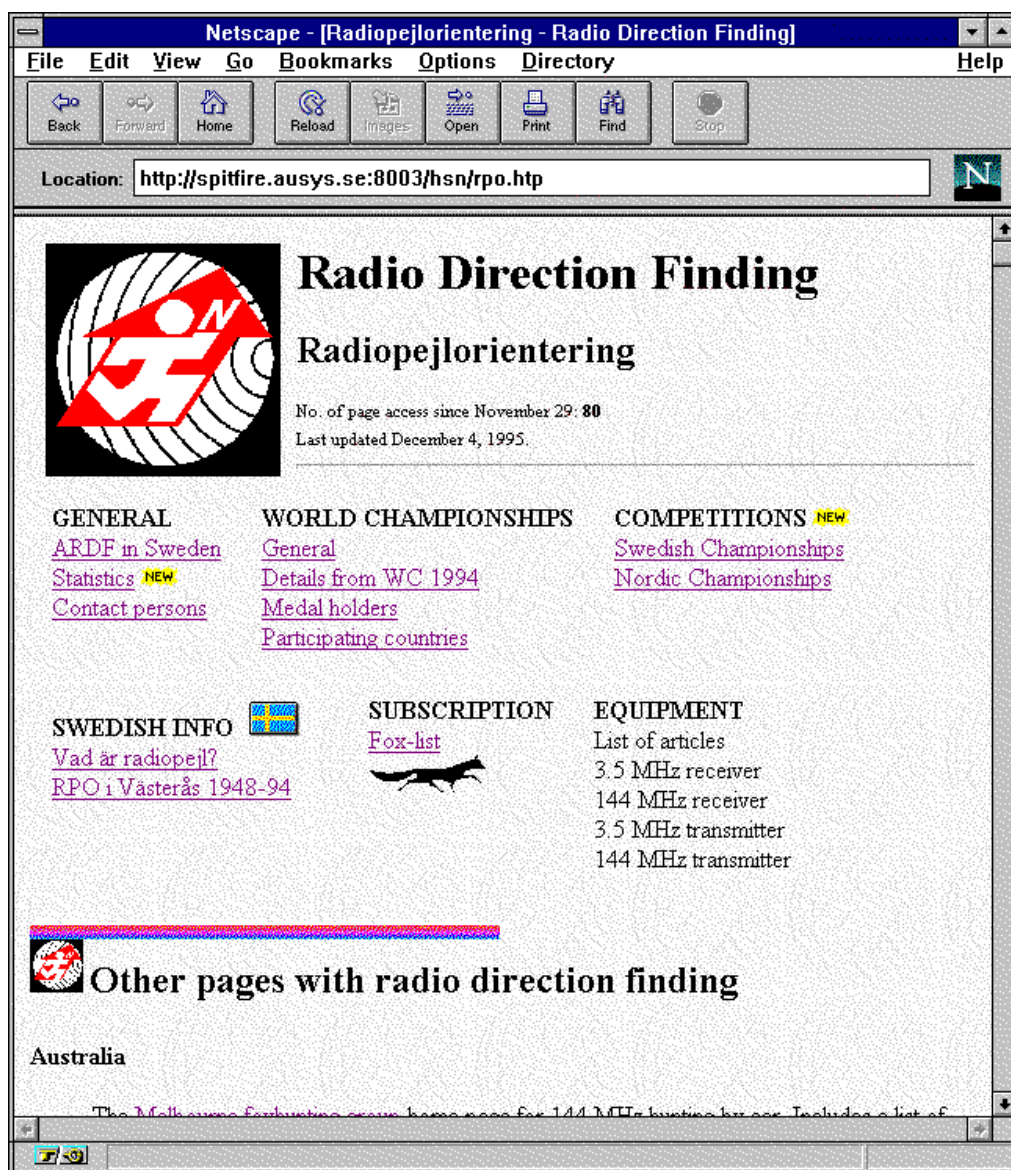

Now available on Internet: *Radio Direction Finding home page.*

The pages contains information about:

- European style of RDF.
- Details from the World Championships with the complete list of Medal Holders 1980-94.
- Links to other RDF and orienteering pages world-wide.
- Links to radio amateurs and manufacturers of RDF equipment.
- Information of how to subscribe to the RDF mailing list "Fox-list".

Address: <http://spitfire.ausys.se:8003/hsn/rpo.htm>

The pages are updated every second week by Hans Sundgren, SM5SVM.

Enclosed you will find this MS Word document (PC-format) with the screen dump as separate tif and gif files. Hope you will be able to use it.

Regards,

Hans Sundgren, SM5SVM, Tessingatan 3B, S-722 16 Västerås, Sweden.
