

Nordic Championship 80m competition

The last day of the competition was located at Sjusjøen, about 25km from Lillehammer at 900m above sea level. The map includes a winter sport skiing area (roller skiing and regular cross country tracks which was excluded from the competition running area).

Start and finish was within a few hundred meters so the 750 m range without transmitters covered the finish 400m range.

44 runners at start and max running time limit was 2h 30 min.

Nice weather, 12C running temperature and no rain, excellent conditions.
